My dear Mrs. Chapman:-

Through the
Richmond State Library I have heard
that you have looked up the
Samuel Chamberlain line. Could
you tell me about Elizabeth
Chamberlain, his daughter? I
know she married Sampson
Laird, ^{of Brunswick Co.} and later Gilbert Smith.
Smith died 1780. Did she marry
again? Did she leave a will?
If so in what county? In what
county did her brother, William,
live?

Please let me know what the
fee is for this negotiation so I
may send you a check.

Very sincerely yours,
(Mrs.) Eleanor J. Rose
